To Whom It May Concern

Dear Sir/Madam,

RE: RECOMMENDATION LETTER- Francis Mutinda Mutua

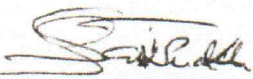

I am writing to recommend Francis Mutinda who had worked as a Chef at Lerruat Log Resort for 1 year. Since then, he has proven himself to be an out-of-the-box thinker when cooking and preparing food items of different cuisines. I worked with him in the kitchen several times during his employment and my experience was absolutely marvelous.

When Francis joined my team, he brought new ideas into our menu, giving our customers a wide range of options to choose. Owing to his initiative and talent, we were able to introduce Thai and Chinese cuisines which brought a whole new experience for our customers. He has transferred many skills to other chefs during these year. Many customers still ask of his Thai stir fries he introduced.

Francis is simply great to work with as he is extremely easy to get along with. He makes it a point to come out and meet the customers and obtain feedback himself in order to make incorporate needed changes to our recipes. Needless to say, this made our customers feel special and gave us recurring business.

Again, I strongly recommend Francis as a competent and knowledgeable Chef and wish him best of luck in his future endeavours. Please feel free to call me for any further information that you may need.

Best Regards,
