RE: RECOMMENDATION LETTER FOR ALLAN WANYOIKE, I.D NO. 38228385

The above named person has been our employee since from Jan 2022 to date where he worked as a House Keeper.

During the period he worked with us, Allan distinguished himself as a fast learner, capable worker, and a bright young gentleman. He was always punctual. In addition, he frequently volunteered to take the shifts of his colleagues when the requirement arose.

We highly recommend him to any employer and wish him well in his future endeavors.

Should you require further information, please contact the Human Resource Manager.

Yours faithfully,
