RE: MICHENI NINAH KANGAI

This is to certify that the above named person worked with our organization in our hospitality department as a WAITRESS from Jan 2021 to July 2022.

Below are the highlights of the roles she contributed to gauge her skills

- Welcoming guests to the restaurant
- Escorting guests to the reserved tables and sits
- Lead the reservation team
- Handled guests queries and requests
- Assisted guests in identifying special foods and beverages

We would therefore not hesitate to recommend her to any prospect employer

Yours faithfully
