

Re: To whom it may concern

Dear Sir/Madam

I have known Mr. Luckins Gwara for atleast 4 months and in his tenure as a trainee Chef I have seen his humbleness in reference to his service undertaking.

He has been one of the best trainees and we can attest that Mr. Luckins Gwara distinguishes himself from the rest with his intellectual performance and honest character, but furthermore, his yearn to learn even when corrected.

We wish him well and we shall keep up with his success.

Yours faithfully,

Felix Masufio
