Dear Ms. Osborne,

I want to thank you for giving me the opportunity to serve as an intern at The Sarova Stanley. I was involved at the food production area and I have gained valuable knowledge and skills of the operations that takes place in the food industry over the past three months.

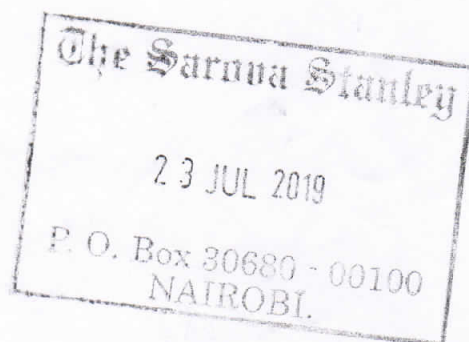

Because you gave me the opportunity to work on different departments in the kitchen, I had the chance to observe and participate on numerous aspects of production, from the production and presentation of buffet menus to making ala carte menus, I also had the opportunity to participate in the outside catering events organized by the hotel. You and your staff were extremely welcoming and helpful and offered me terrific training.

This internship has definitely increased my knowledge and skills in the hospitality industry. I would love to stay in touch and perhaps work with you in future. Once again, Thank you for a terrific three months.

Yours Sincerely,

Martin Githinji Munene
