Dear Sir,

**RE: RECOMMENDATION LETTER**

This is to recommend that **Sylvanos Lumiti** is a professional baker. I am fully confident that he will be perfectly suitable for a position in your bakery.

He first came to **Simbisa Brands Kenya Ltd** in **Nov. 2018** as a cleaner. He has learnt and grown to a position of a baker.

**Mr. Sylvanos Lumiti** is a quick learner, very dynamic and passionate about his work. He takes over each challenge that comes his way.

He has experience of more than two years in bakery, where he joined baking in **December 2020**. He has knowledge and skills in culinary art, good customer service and baking skills. I believe he will be a perfect fit to your company. Any consideration accorded to him is highly appreciated.

Yours faithfully,

**BEATRICE OMBILO**
