

Re: Reference Letter

To whom it may concern

This letter confirms that Miss Sinethemba Carol Dlamini ID NO.(990423585089) that she had been employed at Centre Court Ushaka as a Commis Chef when she first joined as the time went by the kitchen Manager saw her potential ,she was given position of a station chef. She has served both cold and hot sections including menu creation and costing.I have worked with her for over 3 years now and has done an amazing job when I was not around and has run the kitchen exceptionally well with no problems.

I'm more than happy to recommend her for the available chef position . I'm confident that she will work in your kitchen with style, professionalism. Most of all she is a very good team player.
