REF: RECOMMENDATION LETTER FOR HAMZA MOHAMED HASSAN ID NO: 29167858

It is with great pride that I recommend Hamza Mohamed Hassan as a person having worked with us as a jewelry sales associate from 2017 to 2022.

He has an extremely strong sense of dedication and he is one of the most reliable people I know. He was able to take on assignments on short notice and he was also willing to go on long-term, out of town projects as well.

We were very satisfied with Hamza's professional attitude and his strong sense of dedication to his job hence we highly recommend him to any potential employers.

Sincerely Yours,
