To whom it may concern

It is my pleasure to recommend Valary Teresa Adhiambo for employment with your organization. She has worked in our establishment, Milele Beach Resort as a waitress since January 2022. She has been an outstanding team member who has demonstrated tremendous effort and growth throughout the year and brought with her positive energy to work. In addition, I have been consistently impressed with her attitude, exemplary skills, efficient productivity and receptiveness as a waitress.

During her service as a waitress in our establishment, Valary distinguished herself as an exemplary addition to our team. She is always punctual, ready to accept constructive feedback, fast learner, capable worker and a bright young woman. Besides, she had frequently volunteered to offer assistance to her colleagues and responded well to random shifts when the need arose.

She possesses a pleasant personality and maintains a good temper. Moreover, she has proven to maintain good spirits during rush hours and hectic situations requiring resilience. She has that combination of positive attitude and the belief that she can always improve and do or be better. On given occasions that her colleagues were absent, she carried herself well, served a dozen tables without delay and ensured complete customer satisfaction without showing any dissatisfaction.

Valary is trustworthy, dedicated, focused, intuitive and a reliable person. I am confident that she will continue to display the same perseverance, optimism and diligence throughout her career journey. Therefore, I enthusiastically recommend Miss Valary without any reservations.

Please feel free to let me know if there is any need for additional information or question at annkaburu99@gmail.com.

Sincerely,

Ann Kaburu J.
F&B Manager,
Milele Beach Hotel.

The Heavenly Experience
